DE-TECH[®] Cut Man

Electric Cloth Cutting Machine

MODEL DRC 110

DE-TECH the oldest manufacturer of integral clutch motor for industrial sewing machine. Now presents a unique concept DE-TECH 'Cut-Man' general purpose electric cloth cutting machine aimed for super fine cut from a single piece to the wide variety of works.

DE-TECH 'Cut-Man' is simply designed with full die cast housing & C.N.C machined parts. Which gives you more accurate, noiseless and maintenance free performance.

features of :

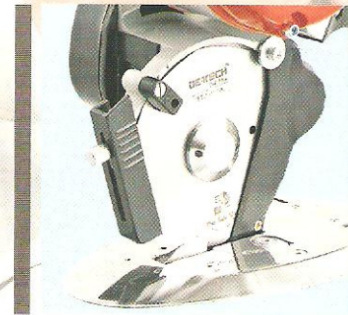

LOWER BLADE MECHANISM AND OCTAGON SHAPED CIRCULAR KNIFE

'Cut-Man' gives you a really beautiful cut. The achievement of the octagon knife and the carbide tipped and spring loaded lower blade prevents a single piece clogging of the knife of coming in contact with the machine parts.

AUTOMATIC KNIFE RE-SHARPNING SYSTEM

Re-Sharpning of knife edge is automatic by pushing a spring loaded projection switch. The system is also designed for easy replacement of grinding wheel.

AN EXCLUSIVE BASE PLATE

Base plate and rollers provide a solid stable platform and smooth rolling vibration free cutting.

HIGH POWER A.C. ELECTRIC MOTOR

The high performance A.C. Electric Motor backed by DE-TECH own technology provides an exclusive high power.

APPLICATIONS

Cutting of Cotton, Synthetic, Canvas, Tarpaulin, Linen and Fabrics etc.
